SUMMARY

Skilled frontend web developer with experience in building responsive and user-friendly web applications. Proficient in HTML, CSS, JavaScript, and various modern frameworks and libraries including React, Next.js, and htmx. Experienced in using Tailwind CSS, SCSS, jQuery, and Bootstrap to create visually appealing and efficient designs. Passionate about delivering high-quality web experiences and continuously expanding my knowledge in emerging technologies.

EDUCATION

Bachelor of Engineering (B.Eng.) in Electrical and Electronics Engineering

Federal University of Otuoke, Bayelsa, Nigeria

📅 01/2019 - 2024

PROJECTS

GrandLife Pharma Website

📅 11/2023 - 11/2023 📍 Location

🌐 <https://www.grandlifepharma.com/>

Developed an online shopping website for a pharmaceutical company, enabling customers to order drugs and prescribed medicines.

- Enabled the company to expand its online sales and customer base by offering a user-friendly shopping platform.

Pneuma Travels website

📅 03/2023 - 03/2023 📍 Location

🌐 <https://pneumatravel.com/>

Developed a travel agency website called Pneuma Travels that allows users to book flights and destinations.

- Improved the travel agency's online presence and boosted bookings and revenue through an easy-to-use booking system.

Personal Web Developer Portfolio

📅 2024 - 2024 📍 Location

🌐 <https://greats-developer-portfolio.vercel.app/>

Built a web developer portfolio website to showcase my skills in front-end technologies like HTML, CSS, JavaScript, and React Js. Features modern design, interactive elements, and responsive performance across devices with detailed project descriptions.

- Showcased my front-end skills and projects, enhancing professional visibility and attracting potential job opportunities.

EXPERIENCE

Asst. Frontend Web Dev Lead, GDSC (Google Developer Student Club)

GDSC (Google Developer Student Club)

📅 2022 - 2023

📍 Federal University of Otuoke, Bayelsa

Google Developer Student Clubs (GDSC) are university-based communities that provide students with opportunities to enhance their technical skills and collaborate on projects. GDSC organizes workshops, seminars, and events to help students learn, network, and grow as developers."

- My involvement showcased my technical skills, teamwork, problem-solving abilities, and passion for technology.

Lead Frontend Web Developer

CrudPen Technologies Limited

📅 12/2023 - 12/2023 📍 Yenagoa, Bayelsa

CrudPen Technologies Limited is a technology company specializing in software development and web application solutions. The company provides innovative services and products to clients across various industries, focusing on creating user-friendly and efficient digital experiences.

- At CrudPen Technologies Limited, I developed a travel agency web app, Pneuma Travels, using HTML, Tailwind CSS, and Vanilla JavaScript. My collaboration with backend developers to integrate data demonstrates my teamwork and project management skills.

Guest Speaker, Yentown DevCon, Bayelsa

Bayelsa Techhub

📅 04/2024 - 04/2024 📍 Yenagoa, Bayelsa

Bayelsa Tech Hub is a collaborative workspace and innovation center that supports the local tech community by providing resources, mentorship, and networking opportunities.

- Played a key role in fostering a vibrant tech community by connecting local tech enthusiasts, professionals, and entrepreneurs.
